[F] Flatward

Letting a London flat while you live abroad?

Find out what your letting agent really costs. Send a year of statements and get back a one-page breakdown, free.

The free fee audit

- Every fee on your statements, with the VAT
- What your agent costs per year, and as a share of the rent
- Charges worth questioning, such as renewal fees since May 2026
- Your earliest switch date, if you send the agreement

Flatward, planned

Property management for owners abroad, at a flat fee instead of a percentage.

£149 a month

Including VAT, with finding a new tenant included. Built for owners abroad: repairs approved from your phone, in your time zone.

HOW IT WORKS

1. Request
Scan the code or go to flatward.com and ask for a fee audit.

2. Send statements
Upload a year of agent statements, or reply by email. Photos are fine.

3. Get one page
Your breakdown comes back by email, usually within a few days.
